

## Who We Are

### Community Partner

The **Geriatric Mental Health Program (GMHP)** is an ambulatory service that is part of London Health Sciences Centre which strives to provide evidence-based mental health care for seniors living in London and Middlesex.

GMHP works closely with formal/informal caregivers and community partners such as St. Joseph's Health Care London, Third Age Outreach and Age Friendly London

**Third Age Outreach** is part of St. Joseph's Health Care London's Specialized Geriatric Services program. This unique hospital outreach service is located in the City of London's Kiwanis Seniors Community Centre.

Third Age offers programs, educational courses, group activities and therapeutic recreation promoting wellness, personal development, independence and improved quality of life for seniors.

If you are interested in any of these programs or would like additional information, please call the Third Age Outreach office.
